

## Afternoon care (NAB) at DSK Tygerberg 2022

The afternoon programme begins immediately after the last lesson, usually at 12.15 p.m. (see class schedule). Those who stay after class either go to an extra mural or to the study / homework lesson. Those who still attend school at 1 p.m. sit down at a long table with their lunch. Food can be reheated. Afterwards, there is supervised play time or participation in an extra mural.

Ms. Anka Schröder is the responsible supervisor from 2.30 p.m. to 5 p.m. (Fridays from 12.15 p.m.).

Please explain the following rules to your child:

1. Masks must always be worn over mouth and nose, except when eating. Whoever eats sits quietly at one place.
2. Covid-19 measures apply all day long.
3. All children stay where they can always see the supervisor.
4. Silence in and around the classrooms is to be respected by all learners as well as adults.
5. No eating during learning class or near the computers.
6. All learners are quietly occupied in the classroom and stay inside until the lesson is over.
7. Children respect the property of the class they are in. Everyone tidies up before they leave.
8. **All school rules also apply during afternoon care.**
9. Before leaving, children say goodbye to the supervisor. **Parents are not allowed to enter the building. The person picking up the child must sign out the child / children on the class list in front of the respective class** (please use your own pen).
10. If your child is picked up by someone other than usual, the supervisor must be notified in advance.
11. Please collect your child on time. (Pick-up times, depending on the schedule: 12:15 / 13:00 / 14:15 / 16:00 / 17:00)
12. If this is not possible in exceptional cases, please notify the supervisor in good time. In case of late pick-up without a message, the daily rate will be billed additionally.
